“Do not be anxious about anything, but in every situation, by prayer and petition, with thanksgiving, present your requests to God. And the peace of God, which transcends all understanding, will guard your hearts and your minds in Christ Jesus.”

When you give to our church you're helping students and mothers connect. Studies have proven over and over the importance of parents spending quality time together with their children. Christian psychologist James Dobson says, “Children are not casual guests in our home. They have been loaned to us temporarily for the purpose of loving them and instilling a foundation of values on which their future lives will be built.”

This last Saturday, we gave the mothers of our students a place to spend quality time together with their daughters at the Mother Daughter Tea. Nine mothers and their girls sat down and had a great time drinking tea, eating some amazing snacks and goodies, and had fun. A wonderful memory was created that afternoon. Hopefully, a memory that will be cherished in the hearts of the moms and their daughters. One of the girls said, “It was fun dressing up and doing something I had never done before.” Another student said, “I didn't like one of the tea flavors but it was fun anyway.” Events like these will be something that our students and their parents will continue to do so those connections between them will grow stronger.

I want to give a special thanks to our volunteer moms who organized this and made this beautiful event possible.

Thank you for giving and making memories like these happen.
